

[Parliamo italiano - For all Language Levels](#)

A well-designed portal with separate sections on grammar for beginners, intermediate, and advanced learners. There's also a section dedicated to cultural studies.

[Gramatica Italiana - Italian for Advanced Learners](#)

This is a comprehensive Italian learning portal with pages on grammar, pronunciation, as well as reading and listening comprehension. Best for intermediate-advanced learners, because the website is entirely in Italian.

[ThoughtCo - Extensive Portal](#)

This portal from ThoughtCo has many different pages for Italian learners, including grammar, games, culture and more. There are separate categories for beginners and travellers.

[Italy Magazine - Italian Language Lessons](#)

This website features many pictures and interesting articles about the Italian language. You can learn about important words and sentences in Italian by browsing these pages.
