

Online vocabulary trainers

[Linguello - High-Quality Vocabulary Trainer](#)

This excellent vocabulary trainer features a proven 6-fold method of review that will help you remember new vocabulary for the long term! To use Linguello you will need to register a free account – but this is easy and worth the trouble!

[PONS Vocabulary Trainer - Expand Your Vocabulary Efficiently](#)

The PONS Vocabulary Trainer features several different types of exercises for learning vocabulary. You can select the words to practise individually or use the words you look up in the PONS Online Dictionary. To use this trainer and manage your vocabulary lists you will need to complete a free registration.

[Quizlet - Easy Vocabulary Exercises](#)

This learning site provides the opportunity to use various exercise types with audio to learn new vocabulary. The vocabulary sets are created by users and are not reviewed or edited by the Quizlet team.

Freeware vocabulary trainers for download

[gnu VocabTrain - Review Vocabulary and Play Memory \(Windows, Linux, Mac OS\)](#)

This simple but effective vocabulary trainer is perfect for practising your individually defined vocabulary lists. In addition, you can play memory with the vocabulary sets for a change of pace!
